GUSTAVO FERREIRA

I am a web developer (Front-End) with great knowledge in HTML / CSS and JavaScript. I have fluency in English and a broad knowledge of Spanish. I have a great desire to work in Europe as a programmer and graduate in a good college. I believe that I would have a good performance in your company because I am a person who likes to learn and I am also very young (16 years).

ATUATION

Despite being only 16 years old, I have already coded for startups like the CertBest. I work in Front-End development and Web Design due to my vast knowledge in HTML / CSS and JavaScript. I also have knowledge in Excel, Word and PowerPoint. I believe that I will be great promise for the programming area and I am ready to face new challenges.
